Judy,
If possable I would like to increase the VAP promotions for Pocono Conv. SIS # 660303. Their VAP supplier is Klein Candy SIS # 761406. This store is next to a PM exclusive account that sells approx. 4500 CPW. I really think that if we load up on this store it would keep our customers from shopping in th PM exclusive account.
Thankyou

forwarded to J. McLean to send extras to acct whenever available.
